Mo logic, decay
We stand before the architect
His wrath comes crashing down
Into a point of no return
Lisolation becomes will pliet The final act of despair My we mack this of the the the storm

Break me if you can But suffer no delusions Down we go ware of a slave to the system

Free of broad some of the sum of th How I indulge in my desires n orean of the connection of the connection of the constant of Ur be a slave to society Avert your eyes If you don't want to see Ly will not worship your deity nauter on to taiof

Break we if you can I won't be denied Jown we go Into the unknown Or cry out in disbelief Break out Rise up from the void And take one step into the unknown
